

Train2Work Open House

FREE Career Training

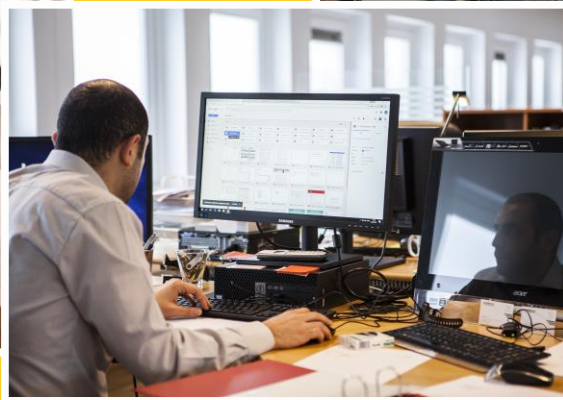

Thursday June 7 – 10:30 a.m. to 12 noon
UM BioPark @ 801 W. Baltimore Street

Come learn about FREE career training programs available to Baltimore City young people! Are you tired of working for minimum wage? Are you interested in a career not just a job? Our training partners provide free career training with employment assistance. Some include paid internships! Most but not all programs require applicants have a high school diploma. Learn more about training in:

Biotechnology
Information Technology
Advanced Manufacturing

Construction
Healthcare
Business Services

Electrical/Cable Installation
Culinary Arts
Solar Panel Installation
